**About Alta-1 College:**

Alta-1 College WA is an independent Christian, co-educational, CARE (Curriculum and Reengagement in Education) School of 800 students located in various locations across the state. The College was started in Western Australia in 2004 and has since expanded to Queensland in 2015. We function as a multi-campus school, with nearly all Alta-1 Campuses deliberately utilising the premises of an existing church community. As a College, we intentionally work with disengaged and disadvantaged young people who are considered educationally, behaviourally and socio-emotionally at-risk. The students we see are between 12 and 18 years of age and are provided a pathway to complete their secondary education.

This unique model provides an environment of belonging for the students encouraging them to acknowledge, confront and resolve negativity while engaging in a journey of healing, restoration, identity formation and purpose finding.
