## About Alta-1 College

Alta-1 College WA is an independent Christian, co-educational, CARE (Curriculum and Reengagement in Education) School of 800 students located in various locations across the state. The College was started in Western Australia in 2004 and has since expanded to Queensland in 2015. We function as a multi-campus school, with nearly all Alta-1 Campuses deliberately utilising the premises of an existing church community. As a College, we intentionally work with disengaged and disadvantaged young people who are considered educationally, behaviourally and socio-emotionally at-risk. The students we see are between 12 and 18 years of age and are provided a pathway to complete their secondary education.

Recognising that young people learn best when they feel connected and safe, Alta-1 delivers education in a small school environment while also delivering a well-developed therapeutic recovery model. This unique model provides an environment of belonging for the students encouraging them to acknowledge, confront and resolve negativity while engaging in a journey of healing, restoration, identity formation and purpose finding.

*Alta-1 College is committed to providing a child-safe environment which safe-guards all students and is committed to promoting practices which provides safety, wellbeing and welfare of our children and young people.*
