Checklist - Application For Enrolment	18

Dear Parent / Guardian,

In your hand (or on your computer screen) is an Alta-1 College QLD Application for Enrolment. The completion of this important document is a part of the process in applying for a place at Alta-1.

The reason that our college exists is to provide quality education to at-risk young people. Our hope is that every young person who enrolls with Alta-1 will experience positive change (academically, socially, and emotionally) and that they will learn how to flourish in life.

Typically, young people who enrol in Alta-1 have experienced significant difficulty in their educational journey. Alta-1 students have often:

- been overwhelmed by academic demands
- struggled to comply with behavioural expectations
- felt unseen, unheard, or misunderstood
- not received the necessary support for success
- experienced breakdown in their working relationships with teachers
- struggled to attend school due to anxiety issues

We understand that, as a parent or guardian, your choice to look for alternative education for your young person may have come after years of attempting to help your child be successful in their education.

In finding Alta-1 you have found an alternative education provider with a number of distinct elements. These include:

- small campus sizes, which mean that typically there are not more than 45 students enrolled on any given site
- a strong focus on safety (our small campus sizes help us to promote safety among our student cohorts)
- we deliver a unique Personal Recovery and Community Building course (recognised by QCAA) that assists students with social and emotional recovery
- we ask students to make seven core commitments that are the foundation of their success at the college

Our college programs cater for students from Year 7 to Year 12 and include options for students who are long term educationally disengaged, with specialised and scaffolded return to school pathways, and for students who have learning difficulties that prevent them from being successful in an educational setting.

In completing this application pack you are engaging in the next stage of our enrolment process. Unfortunately, at this point, we can't promise your young person a place in the college, however it is our intention to ensure that you are supported through this application process.

To assist our team to process your application as quickly as possible we ask that you complete the paperwork thoroughly. It is important that all sections are filled out completely and, if for some reason you are not able to provide certain details, please make a note of this against the relevant section.

As always, our team are here to assist you. You are welcome to come to our administration office for support where a member of our excellent staff team will assist you with your enquiry. Alternatively, you can call or email us.

I trust that you will find your engagement with our college relational and supportive.

Yours sincerely,

Matthew Vandepuer
Principal

COLLECTION OF INFORMATION

The collection of the information by Alta-1 College QLD throughout this Application for Enrolment and at other points during the application/ enrolment process is required for the following reasons:

- Federal government requirements
- Census requirements by the federal and state governments
- Determination of suitability for enrolment at the college
- Provision of individualised educational and therapeutic support by the college.

Incomplete paperwork may delay the enrolment process and negatively impact college funding. The college does not charge fees as most independent schools do; however, we do charge a small levy which contributes to student consumables, excursions, and some registration costs.

To this effect, **we request that you submit an application that is complete and detailed** to the best of your knowledge.

A checklist of all the required information and documents is provided on the last page of this application pack.

3. MEDICAL INFORMATION

3.1 LETTER TO DOCTOR / SPECIALIST

As Alta-1 College QLD is a Special Assistance School for students with mental health needs, we require documentation regarding the student's mental health conditions and diagnoses. Please present this letter to your child's doctor/specialist and request a letter from them containing the information stated below.

Dear Doctor / Specialist,

Alta-1 College QLD is a multi-sited Special Assistance School that provides alternative education to 12 to 19 year old students who are educationally disengaged. In appropriate circumstances the college accesses available funding for individual students, in order to provide them with the best educational and therapeutic resources to assist their re-engagement with education and to promote their personal recovery. These funding applications require documented evidence of a student's mental health and/or medical conditions from a relevant health professional.

Typically, students are enrolled into Alta-1 College QLD because they have been unsuccessful in mainstream schooling as a result of personal issues that have impacted their educational engagement. Students may have been excluded from their former schools and some are referred by external support agencies. Many of the students coming to Alta-1 College QLD are dealing with ongoing mental health or medical conditions.

The student presenting to you has applied to enrol at Alta-1 College QLD. For the college staff to be able to provide appropriate support to the student and access additional funding through State and Federal programs, we request a comprehensive letter describing the student's current mental health and/or diagnostic status.

In your letter, please state the following:

- The name of the student
- A statement about the student's current mental health condition and whether the student has a verified or imputed diagnosis
- Anticipated length of diagnosis
- Any medication the student is currently prescribed
- Description of how the student's current mental health condition has (or may have) impact the student's ability to attend school
- Any type of support the student is receiving (counselling, psychologist, other support agencies)
- Other relevant supporting documents, such as an updated mental health plan

Yours sincerely,

Matthew Vandeppeer
Principal

4. FINANCIAL INFORMATION

4.1 CONSUMABLES CONTRIBUTION (LEVY) INFORMATION

Many independent schools charge school fees, however, Alta-1 College QLD does not do so. Nonetheless the college does ask parents/guardians for a financial contribution towards items that are consumed in the day to day of their child's education. This contribution by parents and guardians is called a Consumables Contribution (or Consumables Levy).

To provide some insight, the following list details some of the items that are covered by the contribution:

- Stationery & student learning materials (e.g. pens, pencils, rulers, calculators, glue sticks, exercise books, journals, textbooks, reading materials)
- Paper and printing
- Some kitchen/electrical appliances (e.g. students have access to kettles, microwave, toaster, fridge/freezer)
- Fuel (e.g. fuel for regular student outings and excursions)
- Food (e.g. staples that are supplied by the college for all students)
- The cost of running Afternoon Activities for students

The contribution is also used to supplement costs for the enrolment of students in various aspects of the college program. Student participation in the Duke of Edinburgh Award and the Certificate courses has associated registration fees that the college supports.

The Consumables Contribution is \$107 per student per term. Across 40 school weeks it equates approximately to a modest \$10 per week.

The best way that you can pay the contribution is by Direct Debit. Alternatively, you can speak with a member of the college administration who can assist you with other payment options.

For your benefit there is a Direct Debit Request Form on the following page.

It is important to note that financial hardship should not prevent any young person from attending Alta-1 College QLD and no young person will be denied an Alta-1 College education because of a family's genuine inability to pay the Consumables Contribution.

Applications for assistance with the Consumables Contribution should be made in writing to:

The Principal - Matthew Vandeppeer
